<p>Middle East/Indonesia CE/Political Visit of Dr. Mohamed Nasir to Cairo.</p> <p>1. According to the Indonesian leader, Dr. Mohamed Nasir, the purpose of his recent visit to Cairo was to collect information from Haj Amin al HUSAINI, ex-chieftain of Jerusalem, for a publication to be issued in Indonesia in three languages (Indonesian, Arabic and English). The main purpose of this publication was to call for Moslem unity and cooperation against the colonizing powers. Nasir was particularly interested in the reports he obtained on the secret pro-Jewish collusion of the British and Americans during the Palestine War.</p> <p>2. Nasir also made enquiries in Cairo about present conditions in Jordan and about the possibility of privately obtaining regular information on that country in view of the fact that the Jordanian press was so strictly censored by the Amman Government. He was given the name and address of a West Bank journalist whose family was associated with the supporters of the ex-chieftain.</p> <p>3. Nasir had intended to visit North-West Africa but was refused visas by the French."</p>
